

We continue our cycle of monthly messages for 2020 with the message for June 1, 2012 for our prayer groups and personal reflection.

Jesus

Dear apostles, I speak to you today with great hope. My hope is in the vision held by Heaven of the future of my Church on Earth. I am pleased when I see holiness increasing in my friends. This increase in holiness is what gives me hope for the Church. Yes, I am urging my followers toward sacrifice and service and many of you are answering with your whole hearts. You, listening to my words and allowing them to change you, are giving me great hope. With this hope I push on into the world, confident that while some resist change, others embrace it. Yes, change is happening, most especially in the heart of every committed apostle. You are becoming holier. As you are becoming holier, my Church becomes holier. Apostles, hear this call with all seriousness. I, Jesus, have everything needed to advance the Church into greater unity. I, Jesus, can do this as quickly as you will allow me. Find me in your soul in each moment you are questioning your role in the Kingdom. I will direct you. I hear many of you saying, 'Jesus, tell me what to do'. I am answering, 'Serve me'. I am answering, 'Be committed to your vocation'. I am answering, 'Love each person you encounter and my kingdom will come'. Do you see? The details of your life can be discerned with me over time by examining your circumstances with the Spirit I have sent to you. There is no need to be anxious about my will. You will know it in each day and in each day my will can be identified in the duties and opportunities for service. Are you sitting with me quietly? Are you asking me to help you become holier? Are you offering me your will? Or are you serving in the way you desire without willingness to change and adapt when I need you to change and adapt? My friends, your life will always be changing. This should not alarm you because I do not change and my love for you does not change. Be at peace. Accept that if you can be open to change then you can be open to greater holiness. All is well. I am holding you very closely to me.
